| 4. | Dampak kejadian, informasi atau fakta material tersebut terhadap kegiatan operasional, hukum, kondisi keuangan atau kelangsungan usaha Emiten atau Perusahaan Publik/ <i>The impact for such information or material fact towards operational activities, legal, financial condition or business continuity of Issuer or Public Company.</i> | Pengalihan saham antar sesama anak usaha Perseroan memberikan dampak positif, khususnya dalam rangka pemenuhan ketentuan hukum dan peraturan perundang-undangan yang berlaku.                                                                                                                                                                                                                                                                                                                                                                                                                           | <i>The transfer of shares among the Company's subsidiaries provides a positive impact, particularly with respect to the fulfillment of prevailing legal and regulatory requirements.</i>                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 5. | Keterangan lain-lain/ <i>Others</i> :                                                                                                                                                                                                                                                                                                        | Pengalihan saham tersebut bukan merupakan transaksi material sebagaimana dimaksud dalam POJK No. 17/POJK.04/2020 tentang Transaksi Material dan Perubahan Kegiatan Usaha. Namun, pengalihan saham tersebut merupakan Transaksi Afiliasi yang wajib dilaporkan kepada Otoritas Jasa Keuangan dan tidak memerlukan persetujuan Rapat Umum Pemegang Saham maupun penggunaan jasa penilai independen sesuai dengan ketentuan Pasal 6 ayat (1) huruf (c) POJK 42/2020, dikarenakan merupakan transaksi antar sesama anak usaha yang dikendalikan oleh Perseroan, baik secara langsung maupun tidak langsung. | <i>The share transfer does not constitute a material transaction as referred to in POJK No. 17/POJK.04/2020 regarding Material Transactions and Changes in Business Activities. However, the share transfer constitutes an Affiliated Transaction that is required to be reported to the Financial Services Authority and does not require approval from the General Meeting of Shareholders nor the use of an independent appraiser, in accordance with Article 6 paragraph (1) letter (c) of POJK No. 42/2020, as it constitutes a transaction among fellow subsidiaries controlled by the Company, both directly and indirectly.</i> |
