

Petrosea Consortium Signs Onshore LNG Perimeter Construction Works Contract with INPEX Masela LTD.

Jakarta, 26 March 2026 – PT Petrosea Tbk (IDX:PTRO) hereby announces that on 2 March 2026, the Petrosea-ETI-Nindya consortium, which was established by Petrosea together with PT Enviromate Technology International and PT Nindya Karya (Persero), signed a contract for the **Onshore LNG Perimeter Construction Works with INPEX Masela LTD.** for a project located at the Abadi Field, Masela Block, Tanimbar Islands, Maluku. This project is one of Indonesia's strategic gas and LNG development initiatives which plays an important role in supporting national energy security.

The estimated contract value is around Rp989 billion with an estimated contract duration of 36 months. Petrosea's participation in the consortium stands at 36% and the project scope includes among others, the construction of a perimeter fence and public expansion road, the development of diversion roads and relocation of existing power lines, as well as an option for the construction of a pioneering jetty and a mini Intensive Vital Care Unit (IVCU).

Petrosea, as a leading multidisciplinary company with a track record spanning more than five decades, delivers integrated services across the entire value chain from upstream to downstream ranging from EPC and mining services to offshore EPCI and logistics for the mining as well as oil & gas industries across the Asia Pacific and Oceania regions. All of Petrosea's operational and financial performance targets are supported by a strong Safety, Health and Environment (SHE) culture through the implementation of target zero accident, operational excellence and continuous improvement, as well as risk management and Good Corporate Governance (GCG) factors as the backbone of the Company's sustainability.
