

Petrosea Drives Digital Literacy in Communities Through the PetroDigitAll Program

Jakarta, 28 August 2026 – PT Petrosea Tbk. (IDX: PTRO) continues to implement various Corporate Social Responsibility (CSR) initiatives as part of the Company's commitment to creating meaningful and sustainable benefits for communities around its operational areas. One of these initiatives is the PetroDigitAll training program, which has been conducted since early 2026, focusing on strengthening digital literacy and competencies to foster more inclusive, self-reliant and technology-adaptive communities.

Through the PetroDigitAll program, Petrosea has provided computer literacy and digital technology training to approximately 140 participants from communities around the Company's operational areas. The program has reached six provinces, namely South Sumatra, Central Kalimantan, East Kalimantan, South Sulawesi, Southeast Sulawesi and Central Papua. The training covers basic computer skills, the use of digital devices, as well as the productive application of technology to support participants' daily lives. Participants not only gain a conceptual understanding of the subject matter, but also have the opportunity to put their newly acquired skills into practice through a series of learning activities and assessments.

"Petrosea hopes that this program will help enhance community productivity, expand access to information and knowledge, as well as create opportunities for personal development amid the ongoing digital transformation," said Meinar Kusumastuti, Legal & Communications Director of PT Petrosea Tbk.

The PetroDigitAll program is part of Petrosea's commitment to implementing corporate social responsibility initiatives in the area of education. In line with this commitment, Petrosea also implements various programs focused on the pillars of health, economic empowerment and the environment.

"Through PetroDigitAll, we provide communities with relevant skills to enhance self-reliance and create opportunities for personal development," said Bitu Budiarani, Human Capital & General Services Director of PT Petrosea Tbk.

Petrosea continues to strengthen operational excellence through various initiatives aimed at enhancing operational productivity, optimizing efficiency, advancing technology and digitalization, as well as consistently implementing Occupational Health & Safety (OHS) standards across all operational areas in order to support sustainable business growth.
